

ORDER YOUR OFFICIAL PKC TORCH TEES

To help promote our school wide TORCH program, we have implemented a new incentive. Students may wear the official PKC "TORCH shirts" purchased through the PTA. These shirts may be worn on designated days specified by the school and published on the complimentary PTA calendar provided to each student at the start of the school year.

DESIGN ON
FRONT OF TEE:

Due to the printing technique to be used, the flames on each shirt will be a blend of yellow and red, so each shirt will be unique. Tee shirts will be ash gray.

The T.O.R.C.H. program allows the school to teach positive social skills and recognizing students who are engaging in behaviors, which improve the school climate. We hope that these skills will help the students develop into responsible citizens in our community. In order to promote a rich and positive learning environment in our school, the Penn-Kidder has implemented a behavior incentive program based on student expectations, acknowledgment of desired behaviors, and a reward system that appeals to learners of all ages.

Students are expected to behave in accordance with rules in all settings on school property. When students are noticed for good behavior by faculty and staff, they will be rewarded and recognized for their positive behavior on a frequent and consistent basis. TORCH tickets will be used as the primary reinforcers, coupled with verbal recognition, of the positive behavior displayed by the student. Use of the tickets will remind faculty to acknowledge desired behaviors while motivating our students to act in a positive and respectful manner. Students can then cash in the TORCH tickets they have accumulated for prizes.
